

**From: OMV Downstream GmbH**  
**To: Jet A1 airline customers at Airport LNZ**  
**Regarding: New conditions with regards to Jet A1 refueling in LNZ Airport**  
**Date: 15.03.2022**

Dear Customer,

Please be informed that OMV was awarded the contract to build a new storage in LNZ airport, which will be operational as of 1<sup>st</sup> of January 2023. Therefore, between 1<sup>st</sup> of April 2022 and 1<sup>st</sup> of January 2023, we will operate in an intermediary operational setup with limited Jet A1 storage capacity.

What does that mean for you as an airline flying to LNZ airport? Please consider the following important points:

- ▶ As of 1<sup>st</sup> of April 2022, the operating time schedule is 05:00 – 22:00.
- ▶ Into-plane refueling outside of the above schedule will require a 2 hour in advance information to + 43 664 88 278 188 and will be performed with additional costs → supply security will therefore be fulfilled.
- ▶ During 01.04.2022 – 31.12.2022, all refueling requests with an uplift higher than 50.000 liters need to be nominated 2 days in advance of the refueling date via e-mail to [ops.lnz@afs.aero](mailto:ops.lnz@afs.aero) and [info.aviation@omv.com](mailto:info.aviation@omv.com).
- ▶ All refueling requests which are higher than 50.000 liters must be uplifted in order to avoid disruptions in the supply chain – short notice cancelations are not possible.
- ▶ Payments with cash or credit cards are not accepted as of 1st of April 2021.

**As of 1<sup>st</sup> of April 2022, only the enclosed fuel card types will be accepted.**

Furthermore, please find below the local into-plane company contact information:

**Airport Linz (LNZ)**

Intoplane Company: AFS Aviation Fuel Services GmbH

Tel.: + 43 7221 64340

Fax + 43 7221 64312

Mobil + 43 664 88 278 188

E-mail: [ops.lnz@afs.aero](mailto:ops.lnz@afs.aero)
